

Cory's Message

When I first came to Sakura Junior High School, I was a little nervous. I did not know what the students would think of me. But, the students and the teachers were all very nice to me. The teachers helped me when I needed it, and the students were very nice, funny, and liked to say "Hello!" to me. I always liked seeing the students have a good time. I also had fun teaching them English, telling them about American culture, and visiting the clubs. I will always remember my time at Sakura Junior High School as a wonderful and special time in my life. I want to thank Kouchou-Sensei and Kyoutou-Sensei, my English teachers, the staff of Sakura Junior High School, and most importantly, all the students at Sakura Junior High School. I am going to miss everyone so much. Thank you again for letting me teach at this wonderful school.

Sincerely,

Cory Carlson
